Resources At the Center

- Developmental screenings and assessments help determine each child’s needs
- Individualized behavioral support strategies for school and home
- Social service resource information
- Transition planning support and linkages with Head Start and PreK services
- Ongoing opportunities to meet and strategize on each child’s educational needs and linkages to services
- Information about alternative educational options for your child

The Linda Ray Intervention Center (LRIC) is a University-based Multidisciplinary Educational Service Center within the Department of Education’s Florida Diagnostic and Learning Resources System. Additionally, the LRIC is one of the five Early Intervention Birth-Two Programs in Miami within the state’s Early Steps program for young children with disabilities. The LRIC is part of the Department of Psychology within the College of Arts and Sciences. The mission of the Linda Ray Intervention Center is to support and facilitate positive developmental outcomes, thereby improving young children’s chances for school readiness.

Miami Coral Park Senior High School students helped to brighten the season for children at the Center with holiday gifts and lots of one-on-one time with the babies and toddlers. This annual event is led by Miami Coral Park’s Cheryll Small (above left) and Ruth Tisdoll (above right) with support from Principal Alicia Hidalgo. FDLRS-UM Center Director (center) welcomed the students (seen below).
The Perez Family Annual PJ Gift Giving Drive came to the Center to bring holiday wishes and warm pajamas along with Santa Claus and his Elf in the spirit of joy and peace.

Children at the Center created their own holiday tree.
