Resources at the Center:
- Developmental screenings and assessments help determine each child’s needs
- Individualized behavioral support strategies for school and home
- Transition planning support and linkages with Head Start and Pre-K services
- Ongoing opportunities to meet and strategize on each child’s educational needs and linkages to services
- Information about alternative educational options for your child

The UM-Linda Ray Intervention Center (LRIC) is a University-based Multidisciplinary Educational Services Center within the Department of Education’s Florida Diagnostic and Learning Resources System. Additionally, the center is an Early Intervention Birth-Two Provider under the state’s Early Steps program for young children with disabilities. The UM-Linda Ray Intervention Center is part of the University’s Department of Psychology within the College of Arts and Sciences.

LRIC Diaper Drive
Many thanks to Farm Share for supporting the UM-Linda Ray Center’s diaper drive. The diaper distribution was held in conjunction with our health fair to promote health and safety in the home.

DIAPER CHANGING TIPS:
- Be prepared!
- Change diapers often, and right after bowel movements.
- Always wipe from front to back.
- Clean and disinfect the diaper changing area.
- Wash your hands and your baby’s hands before and after diapering.

CENTER NAME: FDLRS-UM Multidisciplinary Educational Services Center
LOCATION: UM-Linda Ray Intervention Center, 750 NW 15th Street, Miami FL 33136-1431
PRIMARY SERVICE AREA: Miami-Dade, Broward and Monroe Counties
Contact Numbers: Tel:(305)325-1818  Fax: (305) 325-1151
Executive Director: Isabel S. Chica
Email: IChica@miami.edu  Website: http://www.fdlrs-um.miami.edu
How Our Services Are Unique

The Center provides specialized, multidisciplinary services virtually or in person that include:

♦ Direct services to children, youth, families, and educators to improve student outcomes.

♦ Multidisciplinary diagnostic evaluation services for young children with complex educational, behavioral, medical, and socio-emotional problems impacting learning and acquisition of skills.

♦ Direct intervention and consultation services for families and children aimed at improving student learning, skill development, and outcomes through implementation of evidence-based interventions.

♦ Classroom observations of individual students to build a collaborative action plan intended to improve instructional delivery and student success.

♦ Technical assistance to individual teachers for implementing recommended interventions and strategies.

♦ Training for community providers and district staff.

MISSION

Our mission is to support and facilitate positive developmental outcomes with high quality services, thereby improving young children’s school readiness, and future student achievement.

UPCOMING EVENTS:
