

# Linda Ray Intervention Center Program Models

# Center Based Model

- Early Intervention Services will be provided in a classroom setting on a daily basis at The Linda Ray Intervention Center, 750 NW 15th street, Miami 33136.
- Hours are Monday to Friday from 8:45AM TO 2:15PM. We follow MDCPS school calendar. Twelve month program with summer funded by the Children's Trust.
- In order to achieve the best outcomes and for children to remain in this program, attendance must be consistent and families must adhere to the prescribed hours.
- Families must provide their own transportation to and from the program on a daily basis.

# Home Based Model

- Early Intervention Services will be provided in the child's home twice a week. Each session will be 1 ½ hours in duration for a total of 3 hours weekly.
- Days of services are arranged with the family at time of enrollment and cannot be changed from week to week unless an emergency arises.
- If the family's circumstances change, services may potentially be switched to the Center Based model (subject to availability).
- Summer months services may or may not be available.
